ENGINEERING DEPARTMENT.

Supply of sleepers for 1923-24.

Notice is hereby given that sealed tenders will be received by the Superintendent of Ways and Works, Mysore Railways, Mysore, up to 12 O'clock on Monday the 26th November 1923, for the supply of 20,000 Metre Gauge junglewood sleepers.

2. The supply of sleepers should begin within fifteen days of the acceptance of the tender. Subsequent supplies should be made in equal quantities every succeeding fortnight and the whole order completed in four months' time from date of order. The supply of sleepers should be made in the open ground opposite to the Permanent Way Inspector's Office in the Mysore Station Yard.

3. The sleepers should be spread out on the ground at contractor's expense for their passing and re-stacking again after acceptance. The passing of sleepers will be done by the Executive Engineer, Mysore Division, Railways, or his authorized agent. The acceptance and rejection of sleepers by the Executive Engineer or his authorized Agent shall be final and no protest or appeal will be entertained.

4. The specification of sleepers is noted below.

5. Tenders may be submitted for the full quantity or part thereof. The rate should be per sleeper in words and figures.

6. Each tender must be accompanied with a deposit of 5 per cent of the total cost tendered for, with a maximum amount not exceeding Rs. 500.

7. The final acceptance of the tender rests with the Agent, Mysore Railways, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

8. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual Work Order, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

9. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Superintendent, Way and Works' Office, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

10. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

11. In the event of the contractor failing to supply the agreed quantity of sleepers every fortnight, a penalty of Re. 0-4-0 per sleeper per day of default shall be imposed and recovered in his bills.

12. Payment for the sleepers shall be made every fortnight within three or four days of the presentation of bills in triplicate for the quantities passed by the Executive Engineer, Mysore Division, Railways.
